To the best of my knowledge and belief, I am satisfied that:

A ma connaissance je reste convaincu de ce qui suit:

(a) 1. The milk used in the manufacture of the products described in this certificate originated in the Republic of Ireland and/or Northern Ireland;

Le lait utilise dans la fabrication des produits decrits au present certificat provient de la Republique d'Irlande et/ou d'Irlande du Nord;

and/or; et/ou

The milk and ingredients used in the manufacture of Infant Formula products in this certificate originated in the Republic of Ireland and/or Northern Ireland or have been legally imported into the Republic of Ireland;

Le lait et les ingrédients utilisés dans la fabrication des laits infantiles visés par le présent certificat proviennent de la République d'Irlande et/ou d'Irlande du Nord ou ont été importés légalement dans la République d'Irlande.

(b) 2. The milk used in the manufacture of the products described in this certificate originated in a region or country free from Foot and Mouth Disease, cattle plague, vesicular stomatitis, ovine rinderpest, bovine contagious pleuropneumonia, contagious nodular dermatosis, Rift Valley fever, during the last 12 months;

Le lait utilise dans la fabrication des produits decrits au present certificat provient d'une region ou d'un pays indemne de fièvre aphteuse, peste bovine, stomatite vésiculeuse, peste ovine, pleuropneumonie contagieuse bovine, dermatose nodulaire contagieuse, fièvre de la vallée du Rift, depuis au moins 12 mois;

(c) 3. The products described in this certificate have been obtained from milk derived from cows in which Bovine Spongiform Encephalopathy (BSE) has not been officially identified at the time of milk collection.

Les produits decrits au present certificat ont été obtenus à partir de lait dérivé de vaches chez lesquelles aucune Encephalopathie Spongiforme Bovine (ESB) n'a été officiellement identifiée au moment de la collecte du lait.
